

# STW CONTEST MAP

Friday and Saturday contests are for students only and are considered hands-off contests for teachers. For students' safety, we recommend they stay within the highlighted area while participating in contests. Going outside the map boundary is a decision to be made by the teacher and students, and will be at your own risk. Students should always travel in groups. They should also go through the proper channels to obtain permission to shoot in and around local establishments, in addition to using the film permit provided by STN and the City of Long Beach.
